GWYNNE & DAY'S BANK NOTE REGISTER,

AND DETECTER OF COUNTERFEITS.

PUBLISHED WEEKLY, AT TWO DOLLARS A YEAR; SEMI-MONTHLY AT ONE DOLLAR A YEAR; MONTHLY, AT FIFTY CENTS A YEAR.

This paper is now established on a firm footing, with a rapidly increasing circulation. The publishers will spare no pains or expense in adding to the reputation which it has already attained for *impartiality*, *reliability* and *correctness*, in its report of Banks.

Attention is directed to the following superior features of The Bank Note Register, which distinguish it from other publications of the kind:

1. Every Bank, of doubtful organization, management, or solvency, is plainly and unmistakably marked in such a manner that subscribers can at all times distinguish them from good Banks.

2. The publishers, being experienced Bankers and large dealers in Uncurrent Bank Notes, and having an extensive correspondence with Banks throughout the United States, are thus enabled to give the earliest descriptions of counterfeits and spurious bills, as well as all information pertaining to Banking matters.

3. Descriptions of Spurious and Altered Bills are always made with the greatest care, and their difference from the genuine is plainly pointed out.

4. The Register is printed in larger and clearer type, and on better paper, than other publications of the kind.

Each number contains a carefully written money article, besides much desirable information on the subject of the Currency and the Banks. The yearly subscribers to the Bank Note Register will receive, gratis, a Coin Supplement, containing over two hundred and fifty fac similes of different foreign gold and silver coins that are now in circulation.

Terms to Subscribers by Mail, payable always in Advance:

Weekly,	*Two Dollars a Year.*
Semi-Monthly,	*One Dollar* "
Monthly,	*Fifty Cents* "

To Postmasters, and others, who aid the circulation of The Register by forming Clubs, we offer the following inducements:

Five Copies of the Weekly, One Year,	$7.00
Five Copies of the Semi-Monthly, One Year,	3.50
Three Copies of the Monthly, One Year,	1.00

Let every man, who wants a Bank Note List, try a short subscription to this one. We are sure he will be satisfied that all we have promised for it, and even more, will be realized.

THE

DESCRIPTIVE REGISTER OF GENUINE BANK NOTES.

This work, the most complete and comprehensive of the kind ever issued, has been written and prepared under our own personal supervision. It contains plain and elaborate descriptions of the genuine notes of every Bank in the United States and Canada.

These descriptions point out, in a clear and comprehensible manner, the relative location, on each note, of the various vignettes, dies, counters, end-pieces, etc., so that they are as easily understood as a diagram.

About nine of every ten of all the spurious Bank Notes, that are announced weekly, in Bank Note Lists as "New Counterfeits," are entirely unlike the genuine. This book will therefore detect them in advance of a Bank Note List. PRICE, ONE DOLLAR PER COPY, for which the book is sent, post-paid, to all parts of the United States.

N. B.—Subscribers, who have paid one year in advance, to the Weekly, Semi-Monthly, or Monthly Bank Note Register, are supplied at SEVENTY-FIVE CENTS PER COPY. All remittances should be addressed to
